Obtaining a Federal DUNS Number

Agencies submitting a proposal for funding must obtain a Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS) number as the Universal Identifier when applying for Federal awards or CAs. The DUNS number is a nine-digit number assigned by Dun and Bradstreet Information Services. An Authorized Organization Representative (AOR) should be consulted to determine the appropriate number. If requested by telephone, a DUNS number will be provided immediately at no charge. If requested via the internet, obtaining a DUNS number may take one to two days at no charge. If your organization does not know its DUNS number or needs to register for one, visit Dun & Bradstreet (fedgov.dnb.com/webform/displayHomePage.do).

If requesting a DUNS number via phone, you may need to provide the following information when calling:

1. Legal Name
2. Headquarters name and address for your organization
3. Doing business as (DBA) or other name by which your organization is commonly known or recognized
4. Physical Address, City, State and Zip Code
5. Mailing Address (is separate from Headquarters and/or physical address)
6. Telephone Number
7. Contact Name and Title
8. Number of Employees at your physical location

A DUNS number will be assigned at the conclusion of the call. You may also apply online (see website information below).
